I THINK
you are Still
JOBLESS ...

A hand-drawn illustration on a piece of torn, light brown paper. The text "I THINK you are Still" is written in a mix of black, blue, and red ink. "I THINK" is in a bold, sans-serif font, while "you are Still" is in a cursive script. Below this, the word "JOBLESS" is written in large, bold, red letters with a thick black outline. The drawing is surrounded by various scribbles, including a large black brushstroke at the bottom, and small sketches of faces and buildings. A yellow pencil with a pink eraser is visible in the bottom right corner.
